

Udi's School Lunch Program (Menu on back)

Boulder Country Day is excited about once again offering Udi's Foods for our school lunch program during the 2010 – 2011 school year. At Udi's, they believe food made with joy is a joy to eat. Meals will be made with natural and healthy ingredients. Their goal is to be more child friendly and also offer various choices to encourage students to try some new dishes.
